REVISED AMENDMENT TO THE CLAIMS IN RESPONSE TO
NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

This is in response to the Notice of Non-Compliant Amendment mailed February 12, 2003. The amendment document originally filed on September 27, 2003 and provided again without change on November 7, 2003 upon the request of the Examiner has been considered to be non-compliant because a complete listing of all of the claims was not present and because the claims of the amendment paper were said to not be presented in ascending numerical order. The section of the amendment concerning the claims has now been revised to correct these matters of non-compliance. The section of the amendment concerning the specification was not objected to and is thus not being resubmitted.

Please enter this attached revised amendment to the entire "Amendments to the claims" section of Applicant's amendment previously filed, as fully responsive to the Notice of Non Compliant Amendment. The Commissioner is authorized to charge any additional fees for this to my deposit account, 50-0807.

This response is submitted within the one month period for response provided and no extension or fee is believed due. However, in the event that a fee is due for any

reason, the Commissioner is authorized to charge same to undersigned's Deposit Account No. 50-0807.

In the previously submitted amendment, please correct the Amendment to the Claims section to read as follows:
